

STOLLER® GROW

STOLLERUSA.COM

Stoller® Grow is a foliar or soil-applied fertilizer solution containing the essential plant nutrients nitrogen, potassium, zinc, magnesium, manganese, and copper. It provides essential nutrients to support vigor during normal growing conditions and under environmental stress conditions. The plant rapidly absorbs it because of its proprietary chelating complex. Stoller Grow is tank-mix compatible with most fungicides and herbicides. Recommended for vegetable, fruit, nut, and row crops.

PRODUCT FEATURES/BENEFITS

- Provides conditions for better plant growth
- Compatible with most herbicides and fungicides
- Provides nutritional support for higher tolerance to environmental stressors like drought, flood, heat, cold, chemicals, and pollution
